Miracles of Jesus

The Miracles of Jesus

The New Testament, Matthew, Mark, Luke and John, describe 35 times when Jesus performed miracles and tell us that there were also many more than these. As John writes at the end of his gospel,

'Jesus did many other things as well. If every one of them were written down, I suppose that even the whole world would not have room for the books that would be written.'

In the New Testament miracles are seen as signposts that point to who Jesus really is and the power that he has. There were many eye witnesses to the miracles as they were often performed with crowds present. More than half of the 35 miracles were about Jesus healing the sick. Three times he raised people from the dead. The other stories are about Jesus' power over nature - changing water into wine, feeding a great crowd with very little food, walking on water, calming a storm, etc
